scheda tecnica *technical data*

H50 C

ELEMENTO CIECO
BLIND ELEMENT

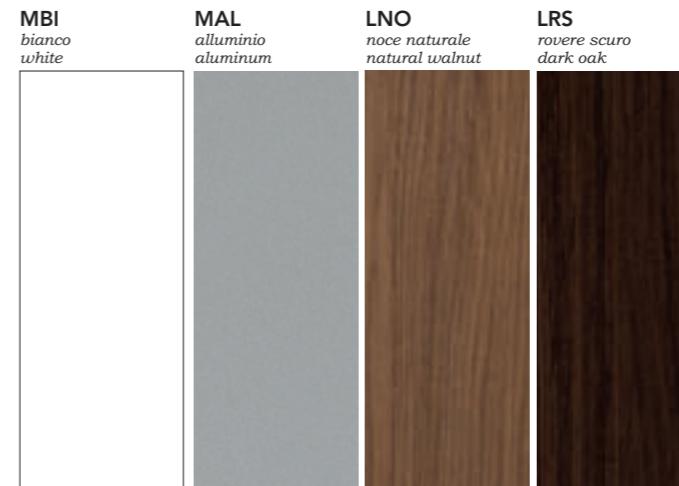

- A.** guida orizzontale in estruso di alluminio
horizontal guide in extruded aluminium
- B.** spessore levigante per vetro
levelling seal for glass
- C.** estruso fermavetro
stop glass device
- D.** supporto di base per pannelli
base support for panels
- E.** montante
upright profiles
- F.** pannello in agglomerato fibrolegnoso
panel in covered fibre-wood agglomerate
- G.** vetro di sicurezza sp. = 10/11mm
safety glass th. = 10/11mm

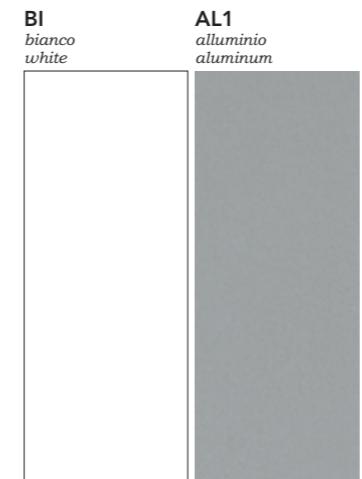

H50 V

ELEMENTO VETRO CENTRALE
CENTRAL GLASS ELEMENT

melaminici *melamine*

metalli *metal*

cristalli *glass*
